

LZ55ME

WINDOW FACING ACCESSORY

The LZ55ME is designed to work with 55WH80 Series, combining flexible compatibility, adjustable height and streamlined structure to adapt seamlessly to diverse commercial spaces.

Highlights

Flexible Installation

Supports both floor-standing and ceiling-mounted installation for flexible deployment across compact retail windows, pharmacies, bank branch, showrooms and shopping malls.

Sleek Modern Design

A slim, refined design integrates seamlessly into storefront environments, keeping the overall display clean and visually balanced.

Built for Versatility

An adjustable height range up to 100 mm enables more precise display positioning for an optimal viewing experience.

Hidden Cable Management

Integrated cable management keeps power and signal cables neatly concealed for a cleaner, more professional installation.
